Authors

Rosalie Fazio was a Broward County Elementary District Trainer after teaching intermediate mathematics for 27 years. Rosalie designed and conducted manipulative-based mathematics workshops that correlated national and state standards for the nation's sixth largest school district. She has served on numerous state committees that established guidelines and aligned items for Florida's Comprehensive Assessment Test. Rosalie has been actively involved in professional organizations at the national, state, and local levels.

Sharon Greenwald was a classroom teacher for 27 years, instructing grades K-5 in New Jersey, New Hampshire, Massachusetts, and Florida. For the past 13 years, she was an Elementary Mathematics District Trainer in Broward County, Florida. In this capacity, Sharon designed and facilitated manipulative-based mathematics workshops for the nation's sixth largest school district. She has also been actively involved in professional organizations and has presented workshop sessions at the national, state, and local levels. Sharon served on several state Department of Education committees that reviewed and aligned items for Florida's Comprehensive Assessment Test.
